

UGLY

On the day I was born
My mother looked at me and screamed:
"Your Ugly!"

When I was five years old
I got my first real kiss from my dog:
He died

When I was 10 years old
My father looked at me and said:
"Boy, your Ugly."

When I was fifteen
I bought a 10 dollar whore
She said: "boy, thats 10 thousand."

When I was twenty
I bought a paper bag
Put it over my head & I haven't looked back.

Twenty-five
I got ugly wife
We live in Harmony

Thirty years old
I've got a family
Oh-ya - you gussed it:
We're ugly
We're ugly.
